

Westerville Quilt Guild - Fun With Fabric

Gift Ideas for Gadget Gurus

Earbud zipper case <http://www.erinerickson.com/2011/11/circle-zip-earbud-pouch-tutorial/>

Cord keepers <http://leafytreetopspot.blogspot.com.au/2013/05/tutorial-diy-cord-keeper-from-fabric.html?m=1>

Cord Taco <http://whydontyoumakeme.com/diy-cord-tacos/>

Travel Cord Organizer <http://blog.namebubbles.com/diy-travel-cord-organizer-a-great-1-hour-project/>

Conductive Sewing projects using conductive thread to make fun shirts, bracelets, and ornaments. [https://browndoggadgets.dozuki.com/c/Conductive Sewing](https://browndoggadgets.dozuki.com/c/Conductive_Sewing) (Note: Conductive thread is available at Amazon. Com and can also be used for touch screen gloves.)

Projects to sew for ipads, ipods, kindles, cameras, etc. Some fun and cute projects. <https://crazylittleprojects.com/ipad-sleeve-case-tutorial-25-things-to-sew-for-your-gadgets-giveaway/>

Tablet Cover with Zippered Pocket https://so-sew-easy.com/quilted-tablet-cover-zippered-pocket/#_a5y_p=4043849

Fabric Phone Charging Station <https://www.positivelysplendid.com/diy-fabric-phone-charging-station/>

Fabric covered mousepad, wrist rest, etc – use Wonder Under to fuse fabric to a rubber based, fabric top mouse pad (old style usually available with stains or advertising at yard sales). This is a great way to rejuvenate those old mousepads.
