How Can Computers Help the Quilter?

Join Gail Wadley, NQA photographer and teacher, for an evening of answers to the question "how can computers help the quilter?" She'll cover topics such as:

- ◆ And other misc thoughts

If you have made a quilt using photo transfer or similar techniques — please bring it for Show 'n Tell. This will be an information packed meeting — with Sesquicentennial Quilt Show information and pattern books, plus much more — so don't miss it!

Newspaper Meeting Notices:

I would like to ask for your help with something, please. I have asked both This Week and SNP to publish our meeting notices in papers other than Westerville... such as, Lewis Center - Worthington - Dublin - Gahanna and maybe a few more. So, please keep your eyes open if you live in one of these areas and if you see it published please either cut it out for me or let me know who is publishing and where. Thanks!

6155-J Huntley Rd. Even if you don't want to take the class, you should go see their new space. It's fabulous!

WQG Sesquicentennial Celebration Quilt Show

It's time for our committee to start getting serious about planning for our first ever quilt show, August 31, 2008! We have a great committee and with all our great members helping out, our first show will be a success!

We will start having more meetings and more news to spur you on for volunteering and entering quilts. Start thinking about what you can do to help with our show. Do you want to do a short demo to pique interest in quilting by our show visitors? Can you volunteer at the registration desk or as a white glove lady or before the show at set-up or after the show at take-down? Shirley Thompson is going to coordinate all the volunteers. She starts recruiting you in June so you have plenty of time to decide what you can do to help!
