## **Trunk Show & Demo**

Jennifer McCann, NQA Certified Teacher of the Year for 2008, will present a trunk show of her quilts "Then and now..." Then she will present a demo of her techniques for creating "Down and dirty mitered borders and slick bindings." These techniques have been taught by Jennifer at the NQA show for several years now and the classes are very popular (and great - take my word for it!) This will be a very fun and informative evening!

We meet on the 4th Tuesday of each month, 7:00 p.m. at The Westerville Medical Campus of OhioHealth, 300 Polaris Pkwy, Westerville, OH 43082, Web Site: <http://www.WestervilleQuiltGuild.com>,

E-mail: [info@westervillequiltguild.com](mailto:info@westervillequiltguild.com)

Westerville Quilt Guild is a "member run" group. Member volunteers serve as "President-of-the-Month" and present the program for that month's meeting. Our dues are \$12 a year.

## Quilter's Green Tips

Sent in by Karen Lesueur:

From the [APQS chat site](#)...

1. I have been wondering what to do with all the scraps of batting I am accumulating... So want to do... I eyed my Swiffer® and WA- LA cheap and totally usable new Swiffer® covers!!
2. Cut small pieces of left over tubing to use as needle pullers. Insert a stuck needle into the hole, squeeze and pull - simple!

*Green Tips Feedback:* I used the tip sent in by Becky Dickson about using scraps of fusible web to "baste" a small quilt before quilting...it works great! - Lisa Smith

Each month we'd like to publish a "green" tip to help us save our planet & our money too! In this tough economy, we can use all the help we can get to save money one way in our quilting so we can buy more fabric or take that new class or to pay for that fun retreat!

So send in your tips to the newsletter ([newsletter@westervillequiltguild.com](mailto:newsletter@westervillequiltguild.com)) and we'll choose one to publish each month.

## Summer is almost over...

...time to start thinking about next year's programs! What can you share with your fellow guild members? Did you attend a workshop this summer at NQA and learn something new you could share with the guild? We're always ready and willing to learn about new (or old) techniques, tips, or tricks. And if you are new and feel nervous about having to run the entire meeting — ask for help — there are executive board members (or anyone for that matter) who would be glad to help you out. There is an agenda template on the Web site to help you out. So there's no reason not to pick a month and have fun.
