All About Ohio

Since we just celebrated the birthday of our country, we thought we would explore some fun facts of our great State of Ohio. I, Cindy, am a township fiscal officer and when the township built a new township building, I began looking thru old township records to put out for display at our open house and I found them fascinating. Since then, I am intrigued by anything Ohio and thought I could share/bore you with some of this information. Hopefully we will have some patterns/kits to share. Please bring any patriotic, historic, or "Ohio" Bi-centennial quilts in for a special show-n-tell.

Aggie will be leading the sew-in with a floating star scrappy quilt. MVOB has new Janome sewing machines, fabric, and all supplies you need for the sew-in. If you'd like to work on

your own machine, they can also accommodate that. Also, guild members are encouraged to bring fabric pre-cut for this project: 20 8.5 inch squares of a solid reading fabric and 40 assorted scrappy 4.5 inch squares. Come join the fun, learn a new technique, and help foster children know that we care about them!
